

# Privacy policy

Effective Date: **May 01, 2023**

Sofar LLC ("us", "we", or "our") operates the <https://www.flysofar.com> website (hereinafter referred to as the "Service").

This page informs you of our policies regarding the collection, use and disclosure of personal data when you use our Service and the choices you have associated with that data.

We use your data to provide and improve the Service. By using the Service, you consent to the collection and use of information in accordance with this policy. Unless otherwise defined, terms used in this Privacy Policy have the same meaning as in our Terms and Conditions, available at <https://www.flysofar.com>.

## Definitions

- **Service is** the website <https://www.flysofar.com/> exploit  by Sofar LLC.
- **Personal Data is** data about a living individual who can be identified from that data (or from that data and other information in our possession or likely to come into our possession).
- **Usedata** automatically collected data generated by use of the service or by the service infrastructure itself (for example, the length of time a page is visited).
- **Data controller** controller **refers to** the natural or legal person who (alone or jointly with others) determines the purposes and manner in which personal information is or is to be processed. For the purposes of this privacy policy, we are a data controller of your personal data.
- **Data processors (or service providers)** Data processor (or service provider) means any natural or legal person who processes data on behalf of the data controller. We may use the services of various service providers in order to process your data more efficiently.
- **Data subject (or user)** The data subject is any living person who uses our service and who is the subject of personal data.

## Collection and use of information

We collect different types of information for various purposes in order to provide and improve our service to you.

## Types of data collected

### Personal data

When you use our service, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you ("personal data"). Personally identifiable information may include, but is not limited to:

- e-mail address
- first and last name
- Telephone number

We may use your personal data to contact you and send you newsletters, marketing or promotional material and other information that may be of interest to you. You can opt-out of receiving some or all of these communications from us by following the unsubscribe link or instructions provided in the emails we send.

#### **Usage data**

We may also collect information about how the service is accessed and used ("usage data"). This usage data may include information such as your computer's IP address, browser type and version, the pages of our service you visit, the time and date of your visit, the time spent on those pages, your device's unique identifiers and other diagnostic data.

#### **Location data**

We may use and store information about your location if you give us permission to do so ("location data"). We use this data to provide features, improve and personalize our service.

You can enable or disable location services at any time when you use our service, through your device settings.
